01.01.2003 – 30.6.2003: Guest scientist at the Centrum voor Duitsland-Studies/University of Nijmegen: Analysis of cultural dimensions of Dutch river management.

16.07.2003: Viva, University of Hamburg

01.10.2003 – 30.09.2004: Research fellow at the Institute for the Study of Genetics and Biorisks in Society, University of Nottingham/Great Britain

01.10.2004 – 31.12.2004: Research fellow at the Institute for Coastal Research/GKSS Research Centre Geesthacht

01.01.2005 – 30.05.2005: Research fellow at the Institute for the Study of Genetics and Biorisks in Society, University of Nottingham/Great Britain

- 01.06.2005 – 31.10.2006:** Research fellow in the project *Coastal Futures* at the Institute for Coastal Research/GKSS Research Centre Geesthacht
- 01.11.2006 – 30.09.2013:** Research fellow at the Research Centre for Biotechnology, Society and the Environment, University of Hamburg
- Since 01.10.2013:** Research fellow at the Institute of Geography, University of Hamburg and Institute of Coastal Research, Department Human Dimensions of the Coast, Helmholtz Centre Geesthacht.

Languages

Fluent English and French, good working knowledge of Dutch.

Grants

- 1994 – 1995:** Fritz-Prosiegel-Bursary, Studentenwerk Hamburg
- 31.03.1997 – 31.12.1999:** *together with Prof. Dr. Wolfgang Settekorn* (University of Hamburg), Images of the coast: Scientific perspectives constituting the coast as a research object, financed by the GKSS Research Centre Geesthacht. (100.000 Euro)
- 01.01.1999 – 31.03.1999:** *together with Prof. Dr. Wolfgang Settekorn* (University of Hamburg), Images of the Pallas: The Impact of Mass Media in the Perception of Oilspills in the WaddenSea, financed by the GKSS Research Centre Geesthacht. (12.000 Euros)
- 01.04.1999 – 31.03.2001:** *together with Prof. Dr. Wolfgang Settekorn* (University of Hamburg), Images of the Odra: A Reunited Landscape and its Conservation, financed by the GKSS Research Centre Geesthacht. (65.000 Euro)
- 01.04.2001 – 31.03.2003:** *together with Prof. Dr. Ludwig Fischer, Dr. Werner Krauß and Prof. Dr. Wolfgang Settekorn* (all University of Hamburg), Nature in Conflict: Contested Concepts of „Nature“ in the Wadden Sea, financed by the Volkswagenstiftung Hannover. (500.000 Euros)
- 01.01.2004 – 31.01.2007:** *together with Dr. Jörg Zinken* (University of Portsmouth), A descriptive framework for Cross-Cultural Metaphor Research: The public discourse on Stem Cell Research and Preimplantation and Genetic Diagnosis in Europe (Network), financed by the British Academy. (25.000 Euros)
- 31.10.2005 – 12.03.2006:** *together with Prof. Dr. Brigitte Nerlich* (University of Nottingham), “Stem Cell Cultures”: Exploring the Social and Cultural Background to European Debates about Human Embryonic Stem Cells”, financed by the European Science Foundation. (20.000 Euros)
- 01.05.2010 – 30.04.2013:** *together with Prof. Dr. Regine Kolllek* (University of Hamburg) and *Dr. Helge Torgersen* (Institute for Technology Assessment, Vienna), “Towards a Holistic Conception of Life? Epistemic presumptions and socio-cultural implications of systems biology”, financed by the Federal Ministry of Education and Science, financed by the German Ministry for Science and Education. (675.000 Euros)
- 28.10.2015 – 31.10.2015:** *together with Prof. Dr. Beate Ratter* (University of Hamburg), Scriptorium: developing a social science research agenda for the trilateral Wadden Sea, financed by the Wadden Academie (12.000 Euros).

- 31.10.2016 – 31.12.2018:** *together with Prof. Dr. Beate Ratter* (University of Hamburg), Downscaling climate knowledges: The social framing of regional and local weather extremes in Germany, financed by the REKLIM Network, Helmholtz Centre Geesthacht. (205.000 Euro)
- 01.01.2018 – 31.05.2020:** *together with Prof. Dr. Beate Ratter* (University of Hamburg), From climate knowledge to climate action: Creating regional communities of practice against climate change, financed by the Alfred-Wegener-Institute Bremerhaven. (145.000 Euro)
- Pending:** Cultures of Response (CUORE): A cross-cultural comparison of resilience to storms in the Penghu archipelago and the East Frisian Islands, together with Dr. Corinna de Guttery and Prof. Dr. Beate Ratter (University of Hamburg). (184.000 Euro)

Other Professional Activities

- Since December 2001:** Co-founder and co-editor of the multilingual scientific online-journal *metaphorik.de* (www.metaphorik.de)
- Since 2002:** Member of the working group *Language and Ecology* at the Gesellschaft für Angewandte Linguistik Deutschland e.V. (GAL) (together with Prof. Dr. Alwin Fill/University of Graz and Dr. Wilhelm Trampe/Institute for Communication and Ecology, Duisburg)
- 01.05.2005 – 31.10.2006:** Member of the research network *Eoliennes et paysage: La politique éolienne entre politique de l'environnement et politique du paysage* (financed by the Ministère de l'écologie et du développement durable, Paris, France).
- Since May 2008:** Co-founder and head (together with Dr. Wilhelm Trampe) of the working group *Human Ecology and Language* in the German Society for Human Ecology.
- Since 2008:** Co-founder and editor (together with Prof. Dr. Jörg Niewöhner) of the book series *MatteRealities/Verkörperungen* at *Transcript*, (Bielefeld).
- Since 2010:** Co-founder and editor (together with Prof. Dr. Alwin Fill, Dr. Hermine Penz, Dr. Joshua Nash and Dr. Wilhelm Trampe) of the book series *Ecolinguistic Matters* (ELM).
- Since 2011:** Member of the Sino-German Network of Health, working group on "Greying Societies: A Worldwide Challenge for Biomedical Research?"

Teaching

- Course (undergraduates) 1999/2000** New Semantic Theories: Conceptual Blending (with Prof. Dr. Wolfgang Settekorn)

Course (undergraduates) 2000/2001:	Framing Nature: An Introduction to Ecolinguistics (with <i>Prof. Dr. Wolfgang Settekorn</i>)
Course (undergraduates) 2007	Cognitive Semantics
Lecture series 1998/1999	Coastal Images (with <i>Prof. Dr. Wolfgang Settekorn</i> and <i>Prof. Dr. Hans von Storch</i>)
Lecture series 2000/2001	Football as Culture (with <i>Dr. Werner Krauß</i>)
GKSS Summer School/ PhD – Course October 2005	Modelling Social Science Scenarios
GKSS PhD – Course Environmental Surveying April 2006	Science as Culture or Surveying Scientists at Work
GKSS Summer School September 2006	The Cultural Construction of Environmental Problems
Course (undergraduates) 2017	Qualitative Methods in the Social Sciences (with <i>Dr. Corinna de Guttry</i>)
Course (undergraduates) 2017/2018	Political Ecology (with <i>Dr. Corinna de Guttry</i>)

Organisation of Workshops und Panels

14.04.1997 – 16.04.1997:	<i>Coastal Images</i> (Akademie Sankelmark bei Flensburg).
01.04.2001:	<i>Nature in Conflict: The Wadden Sea as a Contested Landscape</i> , University of Hamburg.
Since 2003 annually:	Working group <i>Language and Ecology</i> within the framework of the German Society for Applied Linguistics (together with <i>Prof. Dr. Alwin Fill</i> und <i>Dr. Wilhelm Trampe</i>).
15.03.2002 – 16.03.2002:	<i>Imaging Nature</i> (together with <i>Prof. Dr. Ludwig Fischer</i>), University of Hamburg.
19.06.2003:	Workshop <i>The Science and Politics of the Riverside: Steps Towards an Integrated Perspective on Highwaterlevels in the Netherlands and Germany</i> at the Centrum voor Duitsland Studies, University of Nijmegen.
28.09.2003 – 30.09.2003:	Panel <i>Shifting Media and Romance Linguistics</i> at the 23rd Romanistentag, Kiel (together with <i>Prf. Dr. Dietmar Osthus</i> and <i>Prof. Dr. Claudia Polzjin-Haumann</i>).
29.09.2004 – 30.09.2004:	Panel <i>Minority Languages and Linguistic Minorities</i> at the annual conference of the German Society for Applied Linguistics, Wuppertal (together with <i>Prof. Dr. Alwin Fill</i> and <i>Dr. Wilhelm Trampe</i>).
18.07.2004 – 20.07.2004:	Workshop <i>The European Discourse on Embryonic Stem Cells</i> (with <i>Dr.</i>

- Jörg Zinken*) at the *International Conference on Language, Culture, and Mind*, Portsmouth, Great Britain.
- 25.09.2005 – 29.09.2005:** Panel *Linguistic Diversity in the Romania* at the 24th Deutschen Romanistentag, Saarbrücken (together with *Prof. Dr. Dietmar Osthus* and *Prof. Dr. Claudia Polzjin-Haumann*)
- 11.10.2005:** Panel *New Ontologies: Exploring the Anthroposphere* at the 6th Open Meeting: Global Environmental Change, Globalisation and International Security for the 21st Century, Bonn (together with *Dr. Werner Krauß*).
- 10.03.2006 – 12.03.2006:** *International workshop “Stem Cell Cultures”*: Exploring the Social and Cultural Background to European Debates about Human Embryonic Stem Cells (together with *Prof. Dr. Brigitte Nerlich*) at the *Institute for the Study of Genetics and Biorisks in Society*, University of Nottingham.
- 18.05.2006 – 21.05.2006:** International workshop *Tides of Change: Past, Present and Future Enactments of the Coast as Boundary*, Tönning, Germany, (together with *Dr. Dennis Bray*, *Dr. Werner Krauß*, *Prof. Dr. Brigitte Nerlich* and *Prof. Dr. Hans von Storch*).
- 20.09.2006 – 22.09.2006:** Panel *Glocalising Languages* at the annual conference of the German Society for Applied Linguistics, Münster (together with *Prof. Dr. Alwin Fill* und *Dr. Wilhelm Trampe*).
- 14.02.2008 – 15.02.2008:** International workshop *Emerging Diseases: Structure, Controversy and Change in the Scientific Making of Disease Patterns* at the University of Hamburg (together with *Prof. Dr. Regine Kollek*).
- 28.08.2008:** Workshop *Multilingualism (Re-)framed: Ecological Perspectives on Language Use, Representation and Identity* at the International Conference of the Association of Applied Linguistics, Essen (together with *Prof. Dr. Alwin Fill* and *Dr. Wilhelm Trampe*).
- 06.05. – 08.05.2010:** Conference *Language, Communication and the Ecological Crisis* at the annual conference of the German Society for Human Ecology (together with *Dr. Wilhelm Trampe*).
- 21.05.2011:** Workshop *Taking Stock of figurative language and thought: On the past, present and future of applied research on metaphor* (together with the editorial board of *metaphorik.de*).
- 28.10.2011:** Workshop *Greying Societies: A Worldwide Challenge for Biomedical Research?*, Charité Berlin.
- 19.01.2012 – 20.01.2012:** *Different Forms of Life? Comparative Perspectives on Systems and Synthetic Biology*, Hamburg University (together with *Dr. Karen Kastenhofer*).
- 24.03.2014 – 27.03.2014:** *Workshop Küstenheimat – Heimat Küste*, St.-Peter-Ording (together with *Prof. Dr. Beate Ratter*)
- 10.06.2015 – 12.10.2015:** Session *The Sense of Coast: Steps towards an emotional coast-attachment in Europe*, Edinburgh, International Emotional Geographies Conference.
- 28.10.2015 – 31.10.2015:** *Scriptorium: Developing a social science research agenda for the trilateral Wadden Sea Region*, Cuxhaven (together with *Prof. Dr. Beate Ratter*)

Research Projects

01.04.1997 – 31.12.1998 University of Hamburg

- Research fellow on the interdisciplinary research project *Coastal Images: Socio-Cultural Dimensions of the Coastline* (co-operation of the Centre of Media Studies, University of Hamburg and the Institute for Coastal Research at the GKSS-Research Centre Geesthacht)
- Organisation of the workshop *Coastal Images* and a series of lectures of the same name; publication of the conference proceedings

01.01.1999 – 31.03.1999 University of Hamburg

- Research fellow on the research project *Images of the Pallas: The Impact of Mass Media in the Perception of Oilspills in the Wadden Sea* (co-operation of the Centre for Media Studies University of Hamburg and the Institute for Coastal Research at the GKSS-Research Centre Geesthacht)
- Analysis of the regional and national press coverage concerning the oilspill of the Pallas in the Wadden Sea 1999 and 2000

01.04.1999 – 31.03.2001 University of Hamburg

- Research fellow on the research project *Images of the Odra: A Reunited Landscape and its Conservation* (co-operation of the Centre for Media Studies, University of Hamburg and the Institute for Coastal Research at the GKSS-Research Centre Geesthacht)
- Project management and organisation of the workshop *Images of the Odra*

01.04.2001 – 31.03.2002 University of Hamburg

- Research fellow on the Volkswagen Stiftung research project *Nature in Conflict: Contested Concepts of „Nature“ in the Wadden Sea*, Centre for Media Studies, University of Hamburg
- Project management and organisation of several workshops (coastal zone management / wind farms)
- Investigation (also fieldwork) of the conflicts surrounding nature conservation in the Wadden Sea with a special focus on the region's application for the status as a world heritage site
- Investigation (also fieldwork) of the conflicts surrounding offshore wind farms and wind power in the Wadden Sea with special focus on the media coverage about it

01.01.2003 – 30.06.2003 University of Nijmegen (The Netherlands)

- Guest Researcher at the Centrum voor Duitsland-Studies
- Investigation of the German media coverage during the Rhine/Waal Flooding 1995 and organisation of the interdisciplinary workshop *The Science and Politics of the Riverside: Steps Towards an Integrated Perspective on Highwaterlevels in the Netherlands and Germany*

01.10.2003 – 30.09.2005 University of Nottingham (Great Britain)

- Research Fellow on the research project ‘Caught between Science and Society: Foot and Mouth Disease’
- Investigation of the British media coverage during the 2001 outbreak of Foot and Mouth Disease
- Investigation of poems written by farmers and children during the 2001 outbreak of Foot and Mouth Disease
- Research Fellow on the project ‘Landscapes at Risk and Landscapes of Risk’
- Investigation of cultural and dynamic concepts in the area landscape research and possibilities for its integration in Coastal Zone Management

01.06.2005 – 31.10.2006: GKSS Research Centre Geesthacht Institute for Coastal Research)

- Research fellow on the project ‘Coastal Futures’
- Development of a decision-making tool for the possible implementation of offshore wind-energy in the German Bight
- Analysis of land- and seascape concepts among stakeholders on the German North Sea coast

01.11.2006 – 30.04.2010: University of Hamburg (FSP-BIOGUM Medizin)

- Research fellow on the project ‘Scientific Concepts of the Metabolic Syndrome’
- Analysis of the scientific discourse on the Metabolic Syndrome with an emphasis on current genetic concepts
- Analysis of experts’ visions of the Metabolic Syndrome (expert interviews)
- Organisation of an international workshop ‘Emerging Diseases: Structure, Controversy and Change in the Scientific Making of Disease’

01.05.2011 – 30.09.2013: University of Hamburg (FSP-BIOGUM Medizin)

- Project manager and research fellow on the project “Towards a Holistic Conception of Life? Epistemic presumptions and socio-cultural implications of Systems Biology”.

- Analysis of the scientific discourse on the systems biology with an emphasis on concepts of life and focus groups with young scientists on the estimated futures and expectations.
- Analysis of experts' visions of the concept of life (expert interviews) and focus groups on envisioned futures of systems biology.
- Administration of the project and organisation of an international workshop.

Since 01.10.2013: University of Hamburg (Institute of Geography)

- Project coordinator and research fellow on the projects “The Understanding of Climate Information across Different Coastal Societies and the Role of Climate Service and Social Knowledge in Adaptation to Climate Change”, “Downscaling climate knowledges: The social framing of regional and local weather extremes in Germany” and “From climate knowledge to climate action: Creating regional communities of practice against climate change”.
- Supervision of 6 PhD-students and review of 4 successful PhD-dissertations.
- Organisation of two workshops and reporting to the REKLIM office.
- Conduction of expert and stakeholder interviews with an emphasis on testing new methods and theories to investigate place-based climate perception from an empirical point of view.
- Organisation of feedback workshops in close cooperation with the Insel und Hallig Konferenz ((Föhr) and other local stakeholders such as the Nationalparkamt (Tönning) and the Waddenacademie Leeuwarden).
