The regular study periods are defined in §2 of the MIN faculty's exam regulations (PO) for B.Sc. and M.Sc. programmes. If the respective period is exceeded, according to § 3 subparagraph 3 of the POs students have to take part in a counselling session, before the regular study period has been exceeded by more than two semesters. Students who do not take part in such a counselling session, will be exmatriculated in accordance with § 42 subparagraph 2 number 7 HmbHG.
