IMPULSES, EXCHANGE AND SUPPORT FOR YOUR TEACHING

DEVELOP NEW TEACHING IDEAS TOGETHER

at the MIN Faculty

Would you like to further develop your teaching, try out new formats, include international perspectives or collaborate with other lecturers?

We support you – straightforward and tailored to your needs.

Teaching Lab

- Individual support for developing your course – from the initial idea to implementation

International Teaching Collaborations

- Support in developing international teaching formats, collaborations and partnerships

Interdisciplinary Co-Teaching

- Support in designing and implementing joint teaching formats across disciplinary boundaries

How it works:

- ✓ Get in touch with us.
- ✓ We discuss your idea or question and explore suitable options together.
- ✓ We then support you in the area that best fits your project.
